NO SHOW POLICY

First, let us explain our definition of a no show. A no show means one or more of the following:

- You did not answer your phone when our driver called to say he/she had arrived at the delivery address with your order. You also did not call the driver back during the 5 minute grace period before the driver leaves your delivery address.
- You cancelled your order when the driver was already en route to you
- You have insufficient funds for payment; Note: your payment total is confirmed during your dispatch call
- You provided an inaccurate delivery address.
- You provided an inaccurate phone number for your delivery.
- Your phone did not accept our text updates

WHAT HAPPENS IF YOU ARE FLAGGED IN OUR SYSTEM AS A NO SHOW?

- 1st No-Show** You receive a warning
- 2nd No-Show** You are banned from our delivery service for 30 days

WHY DO WE HAVE THIS NO SHOW POLICY?

It's really important to us that we serve as many customers as we can each day. When you don't show up for your scheduled delivery, that means someone else is either not getting their medicine or receiving it late. Thanks for helping us serve as many patients as possible each day by being available to accept your delivery on-time!
